A LOT OF TRAFFIC passes thru the livestock sheds at Francis Field, New Lenox Twp., when the 4-H Fairs are on. The South Cook County 4-H show opened today and runs thru Saturday, July 22. The Will County 4-H Fair will begin next Tuesday, July 25 and wind up Thursday, July 27.

Suggest Celebration On Completion Of 'Missing Link' For Highway I-80

Completion of the "Missing Link" on Highway I-80 will be an historic event that should be marked with appropriate ceremonies, it has been suggested by Mayor Eric Book, of Mokena.

The Mokena mayor, with the concurrence of the village trustees, has written letters to various state and federal officials praising them for their parts in forwarding the work on this highway that will link the East Coast with the West.

A resolution commending public officials who have worked for early completion of the transcontinental highway has been made a part of the Mokena village records.

Mayor Book has written Gov. Kerner, Francis S. Lorenz, state director of public works; Fred B. Farrell, head of regional administration of the U.S. Bureau of Public Roads, and Donald Bonniwell, head of toll roads, saying that the people of the area are aware of what the completion of this highway will do for the region.

The Mokena village board also offers to give any assistance it can in arranging a "fitting ceremony to mark the opening of this last midwestern section of this transcontinental highway."

The "Missing Link" referred to is the stretch between Hazel Crest and Joliet, a distance of about 29 miles. I-80, following toll roads for the most part, brought the traveler from the east coast to Hazel Crest. Then beginning with I-55 or U.S. 66, about six miles west of Joliet, I-80 goes on to the Mississippi and over that river into Iowa.

Here, at the foot of Lake Michigan in Indiana and Illinois is what is sometimes referred to as the "Ruhr Valley of America." Huge plants turn out metals and chemicals that are fabricated into products that are shipped to all parts of the world. Railroads, ships, barges, air transport and trucks provide the means of delivery of raw materials to the mills and factories and the finished goods to the consumers.

Trucking plays an important part in this work and while the movements from the east over I-80 has been swift and easy this area becomes a bottleneck. U.S. 30, outdated and in need of repair, is the only other transcontinental east-west road, and it cannot do the job, it has been pointed out by the experts.

With completion of the "Missing Link" truck traffic is given connection with

modern highways penetrating the west and southwest and once it is open, planners and geographers predict a fantastic economic growth for this area.

I-80 is one of the highways designed as a part of the defense system of the United States to speed flow of material to either coast. With the future of the Panama Canal in jeopardy it is more important than ever, it has been pointed out, to have a modern highway link between the east and west coast.

When the race to give the country its first transcontinental railroad ended on May 10, 1869 at Promontory, Utah, a golden spike was driven to join the last length of rail that linked the Central Pacific and the Union Pacific, the event was the occasion for a jubilant celebration, participated in by important figures in the financial world and government, and the men who actually build the railroads.

One doesn't use spikes, golden or otherwise, to link up a highway but the Mokena village board would like to see a celebration to mark the completion of the "Missing Link" on I-80 and suggest that since Mokena is about the half-way point in the section that such celebration be held in this area.

4-H Shows This Week And Next To Draw Thousands

The annual 4-H Fairs for South Cook and Will counties are on this week and next at Francis Field, New Lenox Township and are expected to draw thousands of visitors.

The South Cook show begins today and ends Saturday. The Will County show will open next Tuesday, July 25 and runs thru Thursday.

Francis Field belongs to the Will County 4-H Clubs, the gift of the late Fred Francis, of New Lenox, who was active figure in promoting 4-H work for many years.

The 4-H members will show thousands of exhibits. Besides the various breeds of beef and dairy cattle, they will also show horse, hogs, sheep, rabbits, poultry, farm produce, garden produce and their skills in sewing and handicraft.

Today South Cook County 4-H girls will model the dresses, coats and suits they have made with the winners getting the opportunity to model their creations at the Illinois State Fair next month.

Flower arrangements also will be shown today and tonight the King and Queen of the 21st annual South Cook County 4-H Fair will be crowned.

Tomorrow the horticulture, food, crop and conservation entries will be judged, as well as exhibits of agricultural engineering, electrical projects entomology, photography, handicraft, woodcarving, and woodworking.

A new feature this year will be the dog, horse and the safety and driving skills contests in combination with Will County 4-H'ers. The dog show judging is to begin at 1 p.m. Friday, the driving skills are scheduled

for between 4 and 6 p.m. and the horseshow is slated for 7 o'clock.

On Saturday cattle will be judged and Saturday night the annual auction will be held in the exhibit hall with Norman Strassenberg, professional auctioneer, in charge. Trophies will also be awarded to winners in various categories following the auction.

Judging of the general exhibits in the Will County show will begin at 9:30 next Tuesday morning in the Exhibition Hall, and the hall will be open to the public beginning at 1 o'clock in the afternoon.

At 10 a.m. Tuesday morning the public is invited to witness the judging of the poultry, rabbits and swine in the show barn and at 1 p.m. in the outdoor arena tractor care and driving skills will be demonstrated.

At 10 a.m. Wednesday morning, in the show barn, the dairy cattle and sheep judging will get underway and most of the day will be given over to these events.

Thursday, the final day of the fair, will be highlighted in the daytime hours by the selection of the winning beef cattle. Another important event next Thursday will be the showing of the apparel contest in which the 4-H girls will model the outfits they have made.

Winners of the dress revue will be presented at Thursday evening, beginning at 7:30. Also on the evening program will be the winning share-the-fun comedy act; winners in the agriculture and home ec. demonstrations and the boy and girl top winners in the public speaking contest held earlier in the year.

There will be more than 2,000 entries in the Will County 4-H Fair, it was reported.

Burglars Take Saws And Chain

Burglars broke into the Christensen store at Center and the Monee - Manhattan Rd., Green Garden Township in the early hours of July 12, and carried off six chain saws and a quantity of chain.

According to the report at the Will County sheriff's office the saws were McCullochs and valued at \$1,434. The chain, the report states, was valued at \$550.

Entry was gained thru a window. Fingerprints were found.

Hold Teenage Art Fair In Palos Park

The second annual teen art fair, for young people between the ages of 13 and 19, will be held Aug. 5 and 6 at the Village Courtyard, Palos Park.

The exhibit, strictly for teens, was organized and created by young people who felt the need for encouragement and public recognition of what teens are doing. The purpose of the show is to create an audience for the teen artist.

Each entrant must submit a total of five entries, which can be done in any medium, painting, sculpture, ceramics, weaving, jewelry, graphics, or photography. From these entries a jury of artists and instructors

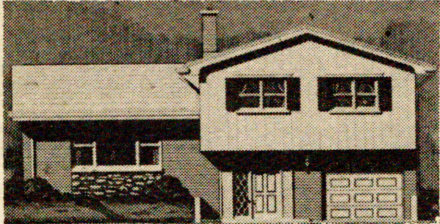

will select the works to be exhibited. Entries should be brought to the Courtyard office between 10 a.m. and 5 p.m., July 29 and Aug. 1.

All entrants must pay \$1.50 to cover the costs of the exhibit. Monetary and ribbon awards will be given in each of the two classes, ages 13-16 and 17-19. The works may be listed for sale, if the artist desires. The price must be set previous to showing, and the work should be suitably matted or framed for hanging.

For further information, call Lorraine Rueter, 448-6100, between 10 a.m. and 5 p.m., any day except Monday.

Seek State College For South Suburbs

Chicago's south suburban area needs primary consideration for establishment of one of four new, three-year senior colleges by the state, a committee of area civic leaders today told the Illinois Board of Higher Education.

Karl Treen of Harvey, chairman of the Higher Education Committee of the Regional Association of South Suburban Municipalities, outlined the area's pressing need in a detailed presentation to Ben W. Heineman, chairman of the education board.

The more than one million residents of the area now have no degree-awarding college open to public enrollment despite a burgeoning high school and junior college population, Treen advised Heineman.

A key feature of Phase II

of the Master Plan of the Illinois Board of Higher Education is to establish three-year (junior, senior college years and first year of graduate study) commuter colleges throughout the state. Of the first four which have been recommended by master plan advisory committees, three would be in the metropolitan Chicago area and one in Springfield.

Treen's group urged establishment of a campus in the south suburbs within a five-mile radius of the intersection of Cicero Ave. and Vollmer Road.

"This location has been recommended by a faculty committee of the Board of Higher Education and is supported strongly by the Regional Association of South Cook - Will County Municipalities," he said.

Treen pointed out that

"Committee M", covering demography and location for the master plan advisory committee, cited transportation facilities to allow convenient commuting by students of the new colleges, both by automobile and public means, as "a most important factor" in site selection.

"The proposed South Suburban site meets these criteria better than any other under consideration," Treen said. He listed services by two large commuter railroads, the Illinois Central and Rock Island; bus service to and from Chicago and across the suburbs, and, for automobile-commuting students, three large free expressways, one toll road and many county and state highways, plus two additional north-south and one east-west expressways now planned.

As to the area's need for primary consideration, Treen cited 60 area high schools (public, private and parochial) with total enrollment of 70,109 day plus more than 6,000 evening students, and seven present junior colleges with 14,068 day and 2,966 evening students.

"A large number of these students, upon completion of high school and junior college studies, need a convenient opportunity to continue their education at least through college graduation, and possibly into the initial phases of graduate study," Treen said. "One of the proposed three-year colleges will help fulfill this need."

"Because the South Suburban area's need is so much greater than the rest of the Chicago metropolitan area, it is recommended that the first of the proposed senior colleges be located in the South Suburbs".

He pointed out that the remainder of Metropolitan Chicago has 30 colleges and universities, for 5,000,000 people -- or one for every 167,000 persons in contrast to the south suburban area's more than one million residents with no senior college.

"Large, well-located farm and forest areas are available now at reasonable prices," Treen said. "It is recommended that a tract of land be acquired immediately before the land is subdivided for homes and the prices go up."

Lutheran South Given Federal Health Grant

A federal mental health grant of \$666,825 has been made to the Lutheran South Hospital, as announced in Washington by Congressman

Edward Derwinski.

The funds will be used to help build and equip the psychiatric department of the The grant was one of two made in the state of Illinois.

Hospital officials stated that the funds are a complete grant, not a loan, and should not be confused with federal Hill-Burton funds which aid hospital construction. The funds were awarded under Title II of Public Law 88-164 for community mental health facilities. Lutheran South will have a complete psychiatric department in the hospital.

The hospital has also entered into an agreement with the Family Service and Mental Health Center of South Cook County and Tinley Park Mental Health Center to establish a comprehensive mental health service. This agreement is the first of its kind in Illinois.

Groundbreaking for the new hospital is planned for the end of this year. Officials hope to have the 320 bed general hospital opened in late 1969.

No Overhead Wires For New Subdivisions Under Frankfort Board Control

At the regular meeting of the Frankfort village board Monday night Village Attorney August Santoro was instructed to draft an ordinance that would require underground installation of telephone and power service lines in all new subdivisions under the jurisdiction of the village.

The plan will add approximately \$100 to the cost of a lot for the subdivider but he will pass it along to the lot purchaser but such a development should be much more sightly, it was said, than one dotted with wires and poles.

In new subdivisions there would be no difficulty in running power and phone lines

along an easement at the rear of lot lines.

Relative to easements Santoro was instructed to give notice to Frank Jurcak at 510 Hackberry, Connecticut Hills, that the village was cutting a fence at the rear of said property in order to make a sewer connection for a neighboring piece of property. The fence, it was brought out at the board meeting, encloses the easement granted to give the village access to the sewer line. A person who encloses such an easement, Santoro said, does so at his own risk and he contends that in the case in point the owner of the fence will have to repair it.

The board approved a re-

quest of NU-Way Refuse Disposal Co. for a raise in the price of garbage pickup. For years now the firm has been getting \$1 a household. The latest count of stops is 522 and the disposal company is asking for 25 cents more, which will make it \$1.25 per stop. This will make the total cost of the service \$7,840 per year, if the stops remain at the present figure. This is \$1,840 more than the amount appropriated but the last session of the legislature passed a law which will enable municipalities to amend their appropriation ordinances to take advantage of the additional revenue that will be theirs thru the increase in their share of the sales tax.

The Frankfort board adopted two ordinances Monday night that are published in this edition. They will give the village an additional quarter cent in sales tax. Collection of the new tax will begin Aug. 1. The state is now getting 4 3/4 cents per \$1 in sales tax. Beginning Aug. 1 the total sales tax will be five cents on the dollar. Municipalities have been getting half a cent.

Lot owners in Frankfort who do not keep the weeds cut on their property will find that it will cost them \$8 an hour to have the task performed by village crews, it was pointed out by Trustee Gerry Francis.

Trustee Lynn Kohlhausen said that work on street patching was progressing.

A petition is to be filed with the zoning board of appeals to reclassify some lots near the Oaces Restaurant to commercial status. They had been zoned for multiple dwellings but the time has elapsed for use of the property for that purpose.

Village Clerk Walter Pfaff will have his vacation from Aug. 26 to Sept. 14. During that period the village hall will be closed.

Harold Sayers Dies -- Last Rites Today

Funeral services were held on Thursday, July 20, for Harold Sayers, 58, late of 11049 McGoveny St., Mokena.

Mr. Sayers died on Monday, July 17, at St. James Hospital, Chicago Heights, following a lingering illness.

Born in New Lenox, he had lived in Mokena for the past twenty years. He was a machinist for the Rock Island Railroad for forty years, and was a member of the Machinist Union.

He is survived by his wife Alice, nee Watkins, two sons, William and Gerald, both of Mokena; four sisters, Mrs. Howard Ayers and Mrs. Joseph Novak of New Lenox, Bessie Sayers of Channahon, and Mrs. Raymond Lenz of Riverdale; one brother, Walter of Romeoville, and one grandchild. He was preceded in death of his parents, Mr. and Mrs. William Sayers and one brother Richard.

Baskerville Chapel, New Lenox, was in charge of the

funeral, which is to be held today (July 20) at 2 p.m. with the Rev. Ralph Miller officiating.

Burial was in Maplewood Cemetery, New Lenox.

Honor The E. Fitzers At Reception

A reception at D'Amicos 214 Restaurant, 214 N. Ottawa St., Joliet, will honor Mr. and Mrs. Edward Fitzer, 1407 Glenwood Ave., Joliet, on their 50th wedding anniversary.

The reception, to be held on Sunday, July 23rd from 2:00 until 5:00 p.m., will be given by the couples children, John Fitzer of Orange, Calif.; Roy Fitzer of New Lenox, and Betty Lou King of Joliet.

No invitations have been issued but all friends and relatives are invited to attend.

LEN BOLEK, (left) Quartermaster, William Martin V.F.W. Post 725, presents a check of \$75 to Ray Toppen, V.F.W. chairman of youth activity. The money will be used to help finance the Mokena Baseball Association.

Veterans Group Aids Baseball Association

William Martin Post 725, Veterans of Foreign Wars, has donated \$75 to the Mokena Baseball Association to be used as desired. The check was given to Ray Toppen, VFW youth activity chairman, to present to the Mokena Baseball Association.

Toppen reported the Baseball Association has already spent over \$1,500 for equipment, umpires, and insurance. This money was raised by the boys thru sales of decals, operating a booth at the 4th of July celebration and a \$3 registration fee from each boy participating in the program.

At present there are 157 boys playing baseball at the park. This figure represents nine teams which is broken down as follows: four minor league teams, two little league teams and one pony

league team. Looking ahead for next year, Mr. Toppen states there will be at least a 25% increase in number of boys enrolling in the pro-

gram. The Mokena VFW Post has always been active in assisting the youth of this community.

Firm Will Observe Its 50th Birthday

Lambrecht Agency, 22 S. Ash Street, Frankfort, will celebrate its 50th anniversary on July 21 and 22. The insurance firm was founded by Herbert J. Lambrecht in 1917 and was first located on the southeast corner of Ash and Nebraska Streets. Mr. Lambrecht then moved the office to his home at 111 S. Oak Street. In 1958, Grant B. Geuther joined the agency and the office was moved to 9 W. Nebraska Street. In 1962, the agency moved to its present location.

The first policy issued by Lambrecht Agency was dated July 20, 1917, and provided fire and wind coverage for the Frankfort-Spencer Grain Company, which is now the Frankfort Grain Company. The first policy was issued in the German-American Insurance Company. Due to national feelings during World War I, the company's name was changed to Rochester-American Insurance Company, and in time, to Great American Insurance Company, its present name.

Prior to entering the insurance business, Mr. Lambrecht was a harness-maker and then operated an ice-cream parlor. He has the distinction of being the oldest, all-time resident of the Village of Frankfort.

The agency will hold an open-house from 7:00 p.m. to 9:00 p.m. on Friday night, July 21, and from 9:00 a.m. to 4:00 p.m. on Saturday, July 22. The public is invited to attend and register for prizes.

Nell Deuchler Dies; Mother Of Area Woman

Funeral services were held on Saturday, July 8, for Mrs. Nell E. Deuchler, age 71, late of 178 S. Western, Aurora, Ill.

Born in Greenfield, Ia., on Oct. 28, 1895, Mrs. Deuchler had lived in the Aurora area for many years.

She died on Thursday, July 6, at her home. She was a member of the New England Congregational Church and Jennings Terrace Auxiliary; also active in girl scout programs for over 33 years.

She is survived by her husband Walter, one daughter, Mrs. William Bettenhausen of Green Garden; one son Walter of Aurora; one sister, Mrs. Gertrude Little of San Diego, Calif. and six grandchildren.

Removal was to the Healy Chapel, where services were held on Saturday, July 8 at 3 p.m.

Tots Playing With Matches Cause Fire, Say N.L. Firemen

Children playing with matches are blamed for a fire that destroyed one dwelling and damaged property on an adjacent lot on S. Cedar Rd. at New Lenox about 4 o'clock Thursday afternoon. Total damage will exceed \$10,000, it was reported.

The blaze started, it was reported, on the attached garage of a house that was being remodeled. The dwelling was at the rear of the lot at 730 S. Cedar. It was owned by Mr. and Mrs. Paul Helms, who now reside at Coal City.

The flames spread into the house and had gained too much headway to be halted by the time firemen could arrive. The fire scorched the roof and sides of a garage owned by Mr. and Mrs. Edmund Knowles at 732 S. Cedar, and also destroyed a considerable quantity of shrubbery.

The home of Mr. and Mrs. Del Miller at the front of the lot at 730 S. Cedar escaped without damage.

There was a fairly brisk breeze from the southwest and firemen worked hard to prevent the blaze from spreading.

According to information

given firemen four or five children, the oldest of whom is said to have been 6 years old, were playing in the garage at the Helms home. They had matches, it was said, struck several. A fire started and quickly spread. The children ran out of the garage when the fire broke out.

New Lenox firemen estimated that damage to the Helms home was approximately \$10,000, a part of which being covered by insurance. No estimate was given on the damage to the garage next door or the shrubbery.

New Lenox does not have a central water system and the tank truck used by the fire department in fighting fires inside as well as outside the village has to be filled at the NI-Gas Co. headquarters at Gougar Rd. and U.S. 30. The truck had to be refilled in the course of the fire last Thursday.

The home destroyed had three bedrooms, a living room, kitchen and bath. New cupboards were being installed and while the casing and shelving remained, the doors not yet being burned.

Schroeder-Kolar Vows Read At St. Jude's

St. Jude's Church, New Lenox, was the setting for the May 6, double ring ceremony of Miss Leanne Marie Schroeder, and Robert John Kolar.

The Rev. Gerold Schubert and Rev. LaVern Smith officiated at the 3 p.m. ceremony uniting the daughter of Mr. and Mrs. Orval Schroeder, 139 Nebraska St., Frankfort, and the son of Mr. and Mrs. Jerry Kolar, 2514 S. Millard Ave., Chicago.

Escorted to the altar by her father, the bride wore a classic gown of white silk organza molded bodice artistically overlaid with imported Peau Dauge lace frosted detailed the bodice while appliqued motifs and garlands of lace ornamented the skirt and graciously full train as it flowed to chapel length. Her lace cap encrust-

ed with pearls. She carried a bridal cascade of phalaenopsis orchids and stephanotis.

Maid of honor was Mrs. Carroll Schroeder, sister-in-law of the bride, wore a haze blue chiffon over taffeta fabric used to design gown possessing fitted empire bodice with portrait neckline, sleeveless and wand slim skirt draping to near floor length. A wide stand-up collar enhanced by use of blue and gray embroidered organza lace controlled soft flowing shoulder drapes of chiffon. The lace reappeared on the waist of the gown. Her headpiece was a small color cued forward type cluster of leaves and flowers with bustle veil of maline. Her flowers were a topiary bouquet of white pompon chrysanthemums and nylon tulle.

Bridesmaids were dressed identical with the maid of honor. They were Mrs. Barbara Barry, cousin of the bride; Miss Patricia Kolar, sister of the groom; Mrs. Carol Wilkosz and Mrs. Diane Creer.

Attending the groom as best man was Thomas Steelman, while ushers were Terry Schroeder, brother of the bride, Leonard Balka, Udell Gay, cousin of the bride; and Gerald Zulaski, cousin of the groom.

For her daughter's wedding, the bride's mother chose a shocking pink silk and wool worsted "A" line dress with matching jacket. She wore matching accessories and a cymbidium orchid.

For her son's wedding, the groom's mother wore a two piece mint green crepe shift with lace coat. Matching shoes, purse and veil hat of mint green and a cymbidium orchid completed her outfit.

A reception for about 350 guests was held at Providence High School in New Lenox.

DRIVER IMPROVEMENT PROGRAM

Defensive driving techniques is the major topic of the Driver Improvement Program to be held August 8 and 10 at the Farm Bureau building, 100 Manhattan Road, Joliet. It is planned for all licensed drivers who want to become safer drivers and thus reduce accidental injury or death.

The National Driver's Test on T.V. on May 23, proved that the majority of experienced drivers need more information about how to handle their car in traffic.

After a wedding trip to Miami, Fla., the newlyweds now reside at 417 Bethel

Dr., Joliet.

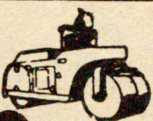

The bride is presently employed at Krusemark and

Bertani and the groom is employed at Argonne National Laboratory.

Annual Episcopal Fair To Offer Clothes, Food, Etc.

MRS. DOLORES ANDERSON
Telephone: 485-2365

The members of Grace Episcopal Church, are busy preparing for the annual Country Fair which will be held Saturday, July 22, from 10 a.m. until 10 p.m. This year's fair will serve, to some extent, as a preview of next year's centennial celebration. Many of the people working at the fair this year will wear costumes of the past to carry out the theme of the old-fashioned Country Fair.

The fair will have many interesting features this year. There will be games and prizes for both adults and children. There will be pony rides for the children from 11 a.m. to 4 p.m. Exhibits are being sponsored by various businesses and artists. Many interesting items have been made by the women of the church for sale in the bazaar booths. Of special interest to girls will be the booth featuring hand knit dresses, coats and ski costumes for "Barbie" type dolls.

Other booths will offer home baked goods, fresh produce, and flowers. To add to the fair atmosphere, there will be balloons, popcorn and sno-cones available at various stands. For those who are hungry or thirsty, the refreshment counter will serve hot dog and barbecue sandwiches, cold drinks, and coffee.

This year, the general chairmen in charge of planning and organization are Mr. and Mrs. Donald Munday. The sub-chairmen are as follows:

Publicity - Virginia and George Fox.

Games and Amusements - James Rice and Thomas Carr.

Food and Refreshments - Mr. and Mrs. Joseph Stricker, Mr. and Mrs. Sam Carr, and Clifford Heylin.

Bake Sale - Martha Rausch.

Parcel Post Booth - Emma Rought.

Bazaar Booths - Mary Morris, Patricia Gorman and Elizabeth Carr.

Country Store - George Fox.

Exhibits - Mr. and Mrs. Ralph Sexton, and Sally Harper.

Prizes - Marcia Miller.

Hawking - James Larson.

Engineering and Building - Don Munday, Frank Pester, Howard Hull and Wendell Cooper.

Theme and Costumes - Elda Mae Gougar and Doris Cooper.

Art Consultant - Albita Hull.

The proceeds from the fair will again be donated to the building fund of the church. The fund will be used in paying for the construction of the new rectory, now being built at the corner of Hickory and Pine Streets, across from the church.

On Wednesday, the Girl Scouts of Troop 230 met at the Camp Grounds where they worked on badges, made ice cream and enjoyed a social. On July 10th the troop enjoyed a bicycle hike to Marley, where they visited the Candle shop. They had lunch in Haley Park, before

returning home. Mrs. Lawrence Floyd assisted the leaders, Mrs. Phillip Small and Mrs. Arthur Reckemer.

The next meet of the group will be held on July 24, at the New Lenox Park from 1:30 to 3:30 to plan their trip to Pokanoka in Aug.

The New Lenox Lions Club will hold their annual Festival on Friday and Saturday, Aug. 4 and 5 at the Lions Club Grounds, Cedar Road, in New Lenox.

There will be rides for the children, games and the traditional auction that is usually featured at the festival. There will be two free door prizes given away each night, one for adults and one for the children. Anyone having any usable articles they wish to donate for the auction, are asked to call Larry Surges, 485-6601; John Mann, 485-6162; or Bill Bolker, 485-8582, and they will arrange to have the items picked up. Proceeds from the festival will be used to help the Lions sponsor Little League Baseball, Pop Warner football, and other activities for the children in the community.

The July meeting of the Grace Episcopal Church Women is being cancelled since all the members are very busy with preparations for the Country Fair.

The Chairmen of the Bazaar booths of Grace Episcopal church Country Fair would like to ask that completed items be delivered to the homes of either Judy Carr or Virginia Fox no later than Thursday evening, July 20. This will permit them to organize the material and arrange the booths in time for the fair's opening at 10 a.m. Saturday morning.

Trinity Womans League will hold their regular business meeting on Tuesday afternoon July 25 at one o'clock at the church. Mrs. Ione Ruthenbeck and Mrs. Lillian Ford will be hostesses.

Robert Cheney is a medical patient at St. Josephs hospital, following an accident in which he suffered a leg injury.

Approximately 60 members of Cub Scout Pack 6 with their den mothers, will go by bus, to McCormick Cantigny War Memorial in Wheaton, on Wednesday, July 26, for an all day trip. They will see a movie, tour the museum and the mansion and visit the pony farm as well as go on a hike while there. They will leave the Methodist church at 9 a.m., and return there at 4 p.m. Those attending are asked to take a sack lunch and a beverage, and they will eat at the picnic ground there.

The Pack is now sponsored by the Methodist Church.

Gives Recipe For Growing Fine Peonies

You can have beautiful peonies every spring. They are one of the easiest flowers to grow and care for. That is what they say at the Farm Bureau.

Now is the time to prepare for 1968's flowering. You peonies will be at their best if you use care when planting. Put the rhizomes with 3-5 eyes one inch below the surface where there is little competition for food and water. Plant where there is little competition for food and water. Plant where there is adequate drainage and plenty of sun.

To keep them at their best, side-dress with a high phosphorus fertilizer (a teaspoon per plant) each spring. Practice a disease control program. Use caution about removing too much of the foliage with the cut flowers and protect the plants from frost when in bud.

Arbury Hills

Area Baseball Team Plays, Wins Many All Star Games

MRS. EDWARD HOVI
Telephone: 479-5740

It seems generally agreed that the Arbury Hills All-Star games were a rousing success. Due to a last minute change, the first game opponents were the farm team all-stars against an all-star team composed of the two "B" Teams instead of being all of Don Rutan's team.

In the second game Foster Tekotte's Team faced an all-star team composed of the remaining halves of the two "B" Teams, both Don Rutan and Bud Cumbee, instead of entirely from Bud Cumbee's boys as previously announced.

The first game got off to a wild and woolly first inning with both teams having a free swinging slug fest. The scoring then settled down to a normal pace with both teams playing a good game.

The final score of the game was ten to eight with the "B" team all-stars coming out on top. The game showed the spectators that their assorted sons have made large progress on the road to baseball, the national boys game.

Midway into the first game, the crowd was entertained by the Royal Lancers, a baton group from Tinley Park, with an exhibition of their talents. From the very tiny to the full grown were represented. The show was appreciated by all. Thanks heaps! Good show!

The second game was a hard fought, closely matched affair, which saw the lead see-saw between the two teams. Johnny Cumbee, pitching for the "B" Team boys showed how it's done, and Billy Roach added the power for the "A" Team with a home run.

The final inning, the sixth, had the score deadlocked at

seven to seven with the "A" Team coming to bat. The game ended when Paul Homer, who was on second base, was driven in by a triple provided by Jim Jensen giving the game to the "A" Team by the score of eight to seven.

Now back to the regular season. Len Gunty's Farm Team won a decisive victory against the Frankfort team on their field by the score of ten to one.

The two "B" Teams played on our field with the Cumbee team reamining undefeated this year, when they won by the score of nine to seven with a late inning rally.

Catching up with the "A" Team was a hard fight Ma, but I won. The games for the last two weeks follow.

Before the July fourth break, the "A" Team played the New Lenox Yankees and lost the game by the score of seven to six, with weak defensive playing accounting for the majority of their troubles.

On July 2 the boys played the Mokena Twins at Mokena Park and won by the score of six to four. Going into the sixth inning, Arbury Hills was down two runs, four to two, put together a four run rally sparked by a triple provided by John Scott with two on. Jimmy Roach and Johnny Cumbee joined forces to provide the pitching and hold down the scoring for Mokena.

The July 3 game pitted our boys against Manhattan with Bobby Lindeman providing shutout pitching, while his teammates were gathering five runs. Blake Tekotte added the lions share with a three run double.

Lincoln Estates was the next opponent for the boys with a game on July 10.

This was a departure from the relatively low scoring games, when both good defense and good hitting combined to boost the score to thirteen to two.

The game on July 13 brought back the close game, when the Frankfort Lions were defeated by a one run margin, three to two. Johnny Cumbee pitched a beautiful game and was helped out when a single by Billy Roach was assisted into a round-tripper.

Large rounds of applause, please for Don Rutan and Joe Arcuri, who were co-chairmen for the booth sponsored by the Baseball League, and to the good group who worked during their holiday time. A financial report will be forthcoming when completed.

The Boy Scouts and the Cadette Girl Scouts co-sponsored the African Dip Booth at Mokena with Dan and Barbara Markowski managing the workers.

These youngsters are to be particularly commended for their efforts, because of the miserable weather they had to face while being dunked. So far no pneumonia, thank goodness.

Janet Rochelle of Arbury Hills, a candidate for Queen of the Carnival, was chosen third in the competition and received an FM-AM transistor radio as an award. Congratulations Janet.

The stunned look on Joe Arcuri's face lately can be explained by the fact that he was the recipient of a Ford Mustang at the closing of the carnival. How did you do it, Joe?

The Boy Scouts were giving the Girl Scout Day Camp program a helping hand with boys to assist with the leaders. This is the first year they have done this, and it proved to be successful, in that more help was needed this year.

The Boy Scouts will be going to camp this year for seven days at Black River Falls, Wisconsin. They will be leaving on Saturday, July 30. The charge for the week will be \$20.

Baseball Boys Rid Playground Of Weeds

JAMES PEYTON

Telephone: 532-1516

I would like to thank all the boys for helping yours truly cut the weeds on the playground and in the ditch around the playground this past week. Also several of the boys helped repair the entrance sign which was destroyed by vandals sometime ago. These same boys are our baseball team and even though we still have not won a game I don't believe anyone has more fun being a loser than our gang. The boys are learning and maybe Saturday when we play the Arbury Hills "B" team we can come out a winner. You will all be notified of time and place of game.

I would like to ask all in the community to please cut the weeds in the drain ditch when you cut your grass as this is an easement and must be maintained by the owner of the lot. It also makes the community look a lot better and gives us better drainage when it rains as there is nothing to hold back the water.

Letters FROM THE Hirsch's

Dear friends,

The present-day funeral has evolved through the years from man's instinctive desire to pay tribute to the life of a deceased person, and man's belief in a spiritual life hereafter.

It reflects our folkways and social customs, and our civic and health rules. The modern funeral symbolizes man's ideals, his hopes, his religious beliefs.

Respectfully,

Edmund Hirsch

LIVESTOCK SUMMARY
Our Veal top this week was \$36.00. Many of our calves a few days old are selling from \$30.00 to \$50.00 per head. Keep this in mind before you sell at home. Our cow market was active with good cows selling at \$18.00. All livestock is weighed and sold shortly after being unloaded which saves shrinkage. Excessive shrinkage comes from livestock not being weighed on time. Here at Kankakee we do not hold livestock over as some markets do.

The kind of things we seek — progress, growth, solidarity, strength, and your trust and confidence cannot be gained by accident. These are important—vital things, and they can only be achieved through planning, through hard work on the part of many people, through adhering to the basic foundations upon which this association was founded . . . solid, substantial business principles. And yet, the world moves on, times change, values to some extent also change. To meet this challenge and to remain relevant to your needs, we necessarily must maintain a certain flexibility. Otherwise, progress could easily pass us by. That is why your directors and officers keep constantly in touch with what is going on in financial circles throughout the nation today — stay abreast of changing times — keep a finger on the pulse of progress.

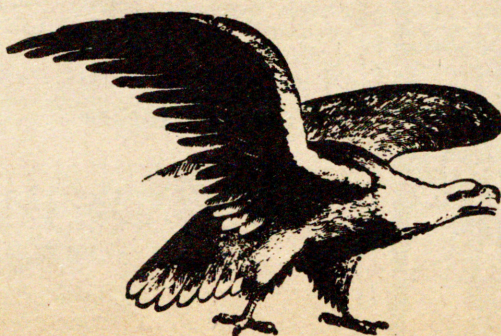

This policy has withstood the test of time and proven its rightness. Joliet Federal has maintained a steady growth pattern over the years — gaining in strength and solidarity as it has grown in size with each year seeing substantial gains in every phase of our operation. It is with this kind of substantial framework to support our efforts that we look forward to the next 6 months with faith and confidence in our ability to provide you with the kind of service you look for and expect from your savings and loan association.
